

PRIVACY POLICY OF NOVA POST FR SAS

I. GENERAL INFORMATION

1. This privacy and use of cookies policy is a set of rules for the processing of personal data and collection of cookies (hereinafter: Policy) by NOVA POST FR SAS with its registered office in 66, avenue des Champs-Élysées, Paris – 75008, entered into the register of legal entities France, under the number 977715671 (hereinafter: "NOVA POST FR SAS" or "Administrator or Company"), incl. on the www.novapost.com website (hereinafter: the "Service"), defines what data we collect about consumers, who use our services and to other individuals whose personal data we process in the framework of our activities, including candidates for work. This Privacy Policy also applies to personal data processing and communication on social media accounts of the Company (e.g. Facebook, LinkedIn), via phone, e-mail, or letter. how we use it and who we share it with. This information also describes the measures we take to protect your personal data.

3. Users can contact the Administrator in the following way:

A. by letter to the following address: 66, avenue des Champs-Élysées, Paris – 75008;

B. via e-mail: dataprotection_fr@novapost.com;

4. Personal data is any information relating to an identified or identifiable natural person. The scope of this type of data includes, among others, name, surname, address, telephone number and e-mail address. Information that cannot be traced back to an identified or identifiable person (such as statistical data) is not considered personal data.

5. Before you start using the Service and the services of the Company, the User should read this privacy and use of cookies policy. The purpose of the document is, inter alia, fulfillment of the information obligation referred to in art. 13 p. 1 and 2 and also art. 14 p. 1 and 2 of the Regulation of the European Parliament and the Council (EU) 2016/679 of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation), (hereinafter: "GDPR").

II. APPLICABLE LAW ON PERSONAL DATA PROTECTION AND CONFIDENTIALITY OBLIGATION

1. NOVA POST FR SAS is subject to the provisions of Regulation of the European Parliament and the Council (EU) 2016/679 of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC as well as other relevant national data protection legislation.

2. NOVA POST FR SAS provides postal services, which is why it is obliged to observe the confidentiality of correspondence and ensure the security of shipments, in accordance with the provisions of the Postal and Electronic Communications Code as amended and supplemented.

III. INFORMATION PROTECTION

1. NOVA POST FR SAS by applying appropriate technical and organizational measures, makes every physical and technical effort to protect personal data against loss, damage, disclosure to not authorized personal, alteration or improper use.

2. All notifications regarding the protection of personal data are registered and explained in detail and analyzed in accordance with applicable law.

IV. RIGHTS OF DATA SUBJECTS

1. The data subject has the right to:

A. receive the information and have an access to data concerning him/her (the right of access by the data subject under art. 15 GDPR);

B. rectify his/her personal data that are incorrect and update his/her data (the right to rectify data, Article 16 GDPR);

C. request the deletion of his/her personal data (the right to delete data under art. 17 GDPR);

D. requests to cease processing (the right to limit processing under art. 18 GDPR);

E. request the transfer of data to another administrator (the right to transfer data under art. 20 GDPR);

F. objecting to the processing of his/her personal data (the right to object under art. 21 GDPR).

V. WITHDRAWAL OF CONSENT TO THE PROCESSING OF PERSONAL DATA AND MECHANISM OF WITHDRAWAL OF CONSENT

1. In the case the basis for data processing is the consent of the data subject, we inform you that this person has the right to withdraw consent at any time. The declaration of withdrawal of consent is made by providing the Administrator by e-mail or postal delivery, in accordance with the data provided, a statement in this regard.

2. Receiving of such a declaration does not affect the lawfulness of the prior processing of personal data.

3. Withdrawal of consent to the processing of personal data is ineffective to the extent necessary for the proper provision of services or provisions of an ongoing contract, including complaint proceedings. In this case, the withdrawal of the above-mentioned consent becomes effective upon resignation from services, termination of the contract or complaint process.

4. Despite the effective withdrawal of consent to the processing of data, the Administrator is entitled to process them to the extent necessary for:

- A. pursuing claims related to the concluded contract;
- B. fulfillment of the legal obligation incumbent on the Administrator;
- C. performance of a task realized in the public interest or in the exercise of public authority vested in the administrator;
- D. purposes resulting from legitimate interests realized by the Administrator or by a third party, except where these interests are overridden by the interests or fundamental rights and freedoms of the data subject.

VI. IMPLEMENTATION OF RIGHTS ARISING FROM GDPR

1. In connection with the submitted declaration of withdrawal of consent to data processing, for the purpose of identifying the person submitting the declaration and in order to protect against unauthorized access to data, NOVA POST FR SAS is entitled to obtain additional confirmation of the identity of the person submitting such a declaration.

VII. PERSONAL DATA CATEGORIES. PURPOSES OF THEIR PROCESSING AND LEGAL BASIS

1. In order to provide the Services and fulfill the Agreement with its Clients (Senders, Addressees) [Pursuant to art. 6 p. 1b) GDPR] NOVA POST FR SAS processes as the Administrator the necessary data, such as:

- A. Client's data (registration data, data of contact persons on the customer's side, name, surname, position, telephone number, signature, e-mail address, job position);
- B. Sender's data (sending address and necessary contact details, signature, payment information and other data needed to perform the service ordered by the sender);
- C. data of the Addressee (name and surname, signature, address, zip code, city, country, and optionally other data necessary for the realization provided to the data Administrator by the sender of the shipment or indicated by himself the Addressee, such as e-mail address, telephone number).

2. Providing personal data is voluntary, but it is necessary for the performance of the Services provided by NOVA POST FR SAS. If the Sender provides additional personal data of the Addressee, in connection with the selection of one of the Additional Services, the Sender is responsible for the correct collection of this data, in particular for having the Addressee's consent for their transfer to NOVA POST FR SAS.

3. In some cases, the data is also processed:

- A. on the basis of consent [Pursuant to Article 6 p. 1 a) and art. 7 GDPR] - in particular for marketing purposes or in relation to data provided voluntarily by the Addressee in connection with the delivery of the parcel.
- B. and the legitimate interests of the Administrator [Pursuant to ART. 6 p. 1 f) GDPR] – in particular, such as: solvency control, compliance programs or sanctions, satisfaction surveys with the services provided (as well as to analyze the results of surveys completed as part of this survey and the possibility of return contact with the person providing the answer).

4. NOVA POST FR SAS as a registered postal operator also processes personal data for the purpose of fulfilling its legal obligations [According to Art. 6 p. 1c) GDPR] deriving, in particular, from the Postal and Electronic Communications Code, Law 2004-669 of 9 July 2004 on electronic communications and audiovisual communication services and the European Electronic Communications Code and ANC Regulation № 2014-03 on general accounting plan, amended by Resolution № 2015-06 of November 23, 2015, which transposes the new directive of the European Parliament and the Accounting Council No. 2013/34/EU of June 26, 2013, Regulation № 2020-01 on consolidated reporting (for example: proper settlement of the provided service, consideration of complaints).

5. Using website may involve the processing of personal data for the following purposes:

- A. Placing an order and activities aimed at its implementation.
- B. Shipments tracking [Pursuant to art. 6 p. 1b) GDPR] – the Parcel number is required to provide information about the status of the parcel.
- C. Contact via the contact form [Pursuant to art. 6 p. 1f) GDPR] – data sent via the contact form, such as: name and surname, address, postal code, city, e-mail address is required to process and answer the inquiry; [Pursuant to art. 6 p. 1a) GDPR] consent to the processing of data such as: e-mail address, telephone number is required for contact in order to present a commercial offer.

D. Contact with a consultant via chat [Pursuant to art. 6 p. 1f) GDPR] – data sent during the conversation with the consultant, such as e-mail address, first and last name, address, postal code, city, are processed in order to verify the question asked and answer the question.

E. Parcel redirection [Pursuant to art. 6 p. 1b) GDPR] – via the NOVA POST FR SAS website, the Addressee has the option to change the delivery address if he or she cannot collect the parcel in person. For this purpose, we collect the following personal data:

- 1.a. name and surname of the Addressee or company name;
- 1.b. street / house number;
- 1.c. zip code / place of residence;
- 1.d. e-mail address and description of the desired location.

7. Direct marketing and sales promotion. In order to inform about promotions and new offers of goods and services, the Administrator will process your data as provided during registration on the Website / application. The legal basis for data processing is the legitimate interest of the Administrator, which consists in the direct marketing of the Administrator's products and services (Article 6 part 1 letter f) GDPR)

A. Sending commercial and marketing information using electronic means of communication and push notifications. In order to inform about promotions and new products from the joint offer of goods and services of the Administrator

and Partners using electronic means of communication (SMS, e-mail, push messages), the Administrator will process your data, for which you have voluntarily given consent to their use, as stated above. The legal basis for data processing is the consent obtained by the administrator (Article 6 Part 1 Letter a GDPR). You have the right to withdraw your consent at any time, the withdrawal of consent does not affect the lawfulness of the processing carried out on the basis of the consent before its withdrawal.

6. Selection of candidates. During the recruitment process, the following categories of your data will be processed for the purposes and on the lawful basis.

- Basic data (name, date of birth), if possible;
- Contact information (address, phone number, email address, etc.), if available;
- Application details (resume, cover letter, certificates, references, interview notes and any data you provide us or wish to provide during the interview);
- Photo, video, if possible;
- Citizenship and work permit, if any;
- Health information for work, if available;

Data that you have provided through public platforms used for professional purposes, in accordance with the applicable terms of the company responsible for managing the platform;

Communication and means of communication (for example, confirmation of your application or information about a telephone/ video interview if possible).

In addition to these categories of data, in order to evaluate each job application, we need data that tells us how well suited you are to the position in question.

To manage our relationship with you, including

- to assess your suitability for work (purposes), the legal basis for processing is contract performance;
- for organizing and conducting (video) interviews (purpose), the legal basis of processing is the performance of the contract;
- to check your data for compliance with applicable sanctions lists and laws (purpose), the lawful basis for processing is a.) legal obligation and b.) legitimate interest.

We collect data directly from you when you provide your details on our careers website or through other communication channels. When you use another channel, for example through public platforms used for professional purposes, such as LinkedIn, we will process your data in accordance with the applicable terms of that platform. When we work with recruitment agencies, we receive your data indirectly. In this case, these institutions are responsible for ensuring the accuracy of the data and transferring it to us in accordance with applicable law.

7. Video cameras and video surveillance. We monitor and process your personal data when you visit our branches, both for your personal safety and for the safety of our employees, customers and property. Video surveillance is carried out without identification in compliance with strict security and confidentiality rules using modern technologies and equipment. Video surveillance records are stored in our systems for up to 30 calendar days.

8. Registration and recording of telephone conversations. Personal data and categories of data subjects in the register.

- The following phone call identification data is registered:
- Call start and end time
- Subscriber number
- Called the service number
- Name and phone number of the official.

All calls to service numbers are recorded. Entries are made in a predetermined way. Recording starts when the call is answered and ends with the end signal.

The following chat and chatbot session details are recorded:

- Session time
- The name of the consultant and the client in the chat

Chat sessions store the content of the session between the customer and the advisor, while chatbot sessions store the content of the session between the automated chatbot and the customer.

The content of the chatbot responses is mainly collected from the website and other public sources available to anyone. At the beginning of the session, customers are provided with instructions for use.

The customer is not asked any personal questions and the customer cannot solve personal questions through the chatbot service. If a customer provides digital identification data, such as a phone number, to the chatbot service, the data is automatically deleted after one hour.

If we send an SMS request to a customer who contacted our service number by phone, the following data is recorded:

- Request time
- Customer phone number
- Written responses of the customer to the request

The following data is registered for the identification of customers who receive information about the actual beneficial owners:

- Person's name and identification code

VIII. SHARING OF DATA

1. NOVA POST FR SAS may provide personal data:

A. to subsidiaries of NOVA POST FR SAS and subcontractors (e. g. transport partners, operating parcel collection points or parcel lockers) within the European Union or outside it for the purpose of delivering parcels from the sender to the Addressee [Pursuant to art. 49 p. 1b) respectively c) GDPR];

B. entities that are subject to a contract for the provision of services for NOVA POST FR SAS or on behalf of NOVA POST FR SAS (Processors), in particular an IT service providers;

C. other persons or organizations based on applicable law;

D. banks and payment operators in order to perform the transaction (including payments made using the codes);

E. law enforcement officers and authorities to comply with national security requirements or as part of a legal process to protect property, or to pursue an investigation of a violation of NOVA POST FR SAS principles and policies, unauthorized access or use of NOVA POST FR SAS equipment, or any other illegal activity.

2. Only the Sender and the Addressee have the right to receive information about the shipment. NOVA POST FR SAS can provide such information to other persons only in the cases specified in the relevant provisions of the law, in particular in the Postal and Electronic Communications Code, Law 2004-669 of July 9, 2004 on electronic communications and audiovisual communication services and European Code of Electronic Communications as amended.

IX. STORAGE PERIOD AND DATA DELETION

1. NOVA POST FR SAS processes personal data only for the time necessary to achieve the purpose for which they were collected. The period of data storage is determined based on the following requirements:

A. operational requirements: the period in which the information is necessary to perform the provided Services.

B. legal requirements: the period in which NOVA POST FR SAS is required to store data for a specified period of time to comply with the law.

C. legitimate interests of NOVA POST FR SAS the period in which data is processed for the purpose of their implementation, in particular to establish and pursue possible claims in connection with the Services provided.

2. What information about you do we collect and how do we use it?

Goal	What data do we collect/process?	Legal basis	Storage period
Collection and delivery of parcels	<p>Surname and first name of the sender and recipient of the package, address of the place of delivery, phone number, email address and other information provided to us by the sender, as well as the signature of the recipient of the package (provided at the time of receipt).</p> <p>Data created by us: parcel number, delivery confirmation, GPS data of the place of receipt and delivery of the parcel</p>	<p>In the case of the sender:</p> <p>(1) performance and conclusion of the contract (Article 6(1)(b) GDPR); and</p> <p>(2) fulfillment of a legal obligation pursuant to Article 6(1)(c) GDPR</p> <p>In the case of the consignee of the parcel</p> <p>(1) fulfillment of a legal obligation pursuant to Article 6(1)(c) GDPR; and</p> <p>(2) our legitimate interest in serving the parcel to the correct recipient (identification in accordance with Article 6(1)(f) GDPR)</p>	<p>During 3 (three) months, and after the expiration of this period, they are anonymized and stored for 3 (three) years in the archive</p>

The data received is processed on the basis of our legitimate interest in improving the functioning of our website (Article 6(1)(f) GDPR)</p>	
--	--	--	--

3. Archived data is available only to authorized employees. After the expiry of the period authorizing data storage, they are permanently deleted.

X. TRANSMISSION OF PERSONAL DATA TO COUNTRIES WHICH ARE NOT MEMBERS OF THE EUROPEAN ECONOMIC AREA

1. To all companies that are directly and/or indirectly owned or controlled by the same ultimate beneficial owners as NOVA POST FR SAS as well as subcontractors (for example, transport partners, operating parcel reception points or parcel storage chambers) within Ukraine and the European Union or beyond them for the purpose of delivering parcels from the sender to the addressee [According to Art. 49 part 1b) respectively c) GDPR];
2. NOVA POST FR SAS does not transfer personal data to international organizations.
3. NOVA POST FR SAS does not transfer personal data to third countries if it is impossible or would be inconsistent with generally applicable law.
4. The level of protection of Personal Data outside the European Economic Area ("EEA") is not the same as the level provided by European law. Therefore, NOVA POST FR SAS transfers personal data outside the EEA only when it is necessary, while ensuring an adequate level of data protection, mainly through:
 - A. cooperation with entities processing personal data in countries for which an appropriate decision of the European Commission has been issued regarding the assurance of an adequate level of protection of Personal Data;
 - B. use of standard contractual clauses issued by the European Commission, provided that an adequate level of personal data protection is ensured;
5. In the event of a justified intention to transfer personal data outside the EEA, other than the one indicated above, NOVA POST FR SAS will inform about this fact at the appropriate stage of data processing, in accordance with applicable law.

XI. INFORMATION ON DATA COLLECTED THROUGH WEBSITE

1. Event log and cookies. Each time a user accesses website, the data is saved in a log file. The scope of temporarily stored data includes:
 - A. the IP number of the computer from which the query was received;
 - B. domain name;
 - C. date and time of access;
 - D. http response code;
 - E. visited pages;
 - F. name and version of the operating system;
 - G. browser name and version;
 - H. screen resolution.
2. Using websites may be associated with the use of cookies by NOVA POST FR SAS servers. These files are used by site administrators. Each user can configure their browser settings so that cookies are not accepted by it but except for mandatory ones. In this case, no data will be saved on the visitor's computer. Information stored in cookies will not be sent to NOVA POST FR SAS

XII. COOKIES

1. Cookies are Internet data, in particular text files, which are stored on the end device (computer, mobile phone, tablet) of the User. First of all, they contain the name of the website of their origin, their unique number and the time of storage on the end device. Cookies are used to provide the Administrator with statistical information about the visits of Users, the activity of Users and the way of using the Service. They allow you to customize content and services according to the User's preferences.
2. In connection with our use of cookies, we provide the most important information about their use:
 - A. The cookie mechanism is not used to obtain any information about Users, except for information about their behavior on the pages of the Service.
 - B. The administrator stores cookies on Users' computers in order to:
 - 1.a. proper adaptation of the Service to the needs of Users and optimization of the use of websites;

- 1.b. remembering the User's preferences and individual settings, recognizing the User's device and properly displaying the website according to his needs (full version, mobile version of the website);
1. c. creation of statistics of website visits, which help to understand how Users use websites, which allows to improve their structure and content;
- 1.d. support of the User's session (after login), so that the User does not need to re-enter the login and password on each sub-page of the Website;
- 1.e. saving the shopping cart data in the online store so as not to lose them after visiting the Service again.
3. The website uses two main types of cookies: session cookies and persistent cookies. Session cookies are temporary files that are stored on the website user's end device until the user logs out, leaves the website or closes the software (web browser). Persistent cookies are stored on the Website User's end device for the time specified in the cookie settings or until they are deleted by the Website User.
4. The service uses two main types of cookies:
 - "Necessary" cookies to enable the use of services available on the Website, such as authentication cookies used for services that require authentication on the Website, cookies used to ensure security, such as are used to detect authentication fraud on the Website;
 - "Functional and analytical" cookies that allow "remembering" settings selected by the User and personalize the User interface, for example, regarding the User's selected language or region, font size, appearance of the website and allow collecting information about how to use the Website pages, etc.;
 - "Advertising" cookies that allow Website Users to provide advertising content that is more relevant to their interests.
5. When you first visit the website, you will be shown information about the use of cookies. The use of the website requires the processing of "necessary" cookies. The processing of other cookies is possible after giving consent to the use of cookies in accordance with the provisions of this Policy. You can always withdraw your consent by changing the cookie settings in your browser. These settings can be changed, in particular, in such a way as to block the automatic processing of cookies in the web browser settings or to inform each time they are placed on the end device of the Website User. Detailed information on the possibilities and methods of processing cookies is available in the software (web browser) settings.

"Advertising" and "analytical" cookies placed on the end device of the Website User may also come from the Administrator's partners and be used for analytical and marketing purposes. Detailed information on this can be found in the privacy policy of this partner. The administrator uses the following analytical and marketing tools provided by partners:

- a. Google Ads - files used by Google to configure advertising in its services, for example in the search engine or to display advertising on the Internet, more information: <https://policies.google.com/technologies/partner-sites>
- b. Facebook pixels – files used to match advertising on Facebook services to the individual preferences of the recipient, more information: <https://www.facebook.com/privacy/policies/cookies/>
- c. Google Analytics – files used to analyze how users use the website, create statistics and reports, more information: <https://policies.google.com/technologies/partner-sites>

XIII. BLOCKING THE ACTION OF COOKIES

1. In many cases, web browsers allow cookies to be stored on the User's end device by default. Website Users can change cookie settings at any time, e. g. in such a way as to block the automatic handling of cookies or inform about their every posting on the Website User's device. Detailed information on the possibilities and methods of handling cookies is available in the browser settings or on the following websites:

- A. in the Internet Explorer browser;
- B. in the Mozilla Firefox browser;
- C. in the Chrome browser;
- D. in the Safari browser;
- E. in the Opera browser;

2. The Administrator informs, however, that limiting the use of cookies may affect some of the functionalities available on the Website's pages.

XIV. COMPLAINTS

1. If you have a complaint about the manner in which NOVA POST FR SAS have handled your data please submit it in writing, providing as much detail as possible, using the contact details at Section I of this policy above. NOVA POST FR SAS will work with you to resolve any issues without delay.

2. If you believe that your rights under the General Data Protection Regulation have been violated, you have the right to file a complaint with the supervisory authority of NOVA POST FR SAS. In France, the relevant authority is the National Commission for Information and Liberties (CNIL) - information and contact details can be found on its website (<https://www.cnil.fr/en/contact-cnil>).

XV. CHANGES TO THIS POLICY

1. Any changes NOVA POST FR SAS may make to this privacy policy in the future will be posted on the website www.novapost.com. The new terms may be displayed on-screen and you may be required to read and accept them to continue your use any / all of NOVA POST FR SAS Services.
